

Azure Migrate & Modernize and Azure Innovate

Turn your vision into impact on Azure and move forward with confidence with assistance from Microsoft and Henson Group.

Lower costs and reduce risk with assistance from Azure specialized partners

With Henson Group by your side, you're working with an Azure Expert Managed Services Provider (MSP). Having met rigorous standards, we're among a top tier of Microsoft partners trusted to lead you through these exciting offerings.

A proven approach for all your needs

- Get migration and modernization support across applications, data, and infrastructure
- Get assistance with assessing your environment and planning your migration to build a robust business case and TCO justification
- Leverage Microsoft's Cloud Adoption Framework and Well Architected Framework for security, governance, data, and networking design

Optimize costs and drive sustainable outcomes

- Enhance your cloud skills with subsidized Azure technical training delivered through Microsoft Learning and Henson Group
- Use free tools to move efficiently and stay cost-optimized once on Azure
- Contribute towards environmentally sustainable outcomes while driving operational efficiencies

Move confidently with expert help

- Microsoft works hand in hand with experts at Henson Group to mitigate risks and take full advantage of Azure security, scale, and innovation
- Build cloud skills and long-term organizational readiness with the right mix of learning options
- Access personalized, self-guided resources to support your unique needs

Connect with your Azure specialized partner, Henson Group

"We are on a multi-year transformation journey, and cloud migration is an important first step. Azure offered the right mix of training, best practice guidance, tooling, and specialized partners to best meet our needs. Importantly, Microsoft was prepared to work hand-in-hand with us and showed deep commitment to our success."

Marc Gunter, VP of Infrastructure, Planning, and Engineering at CIBC
